I know what to do in the face of a cyclone
I am ready
I've strengthened my house
My safety pack is ready
I know how to help myself, my family and my community

Ad1 60 CC

I am confident.
I pay attention to all community warnings for cyclones.
I am aware and alert
I am ready. Always
I know the high grounds or *pucca* buildings
for shelter. I know how to get there.
I am the calm in every storm. I have the power

To face cyclones:
I've strengthened my house. So what if it's not *pucca!*
I've safely stored food grains and seeds.
I have made my house safe
I am ready. Always
I've made sure my cattle and boat are safe.
I've kept rubber tubes, plastic sheets, ropes, bags... handy.
I am the calm in every storm. I have the power
