About Unitech

Unitech is amongst India's leading business groups, with an outstanding track record in large-scale, integrated, Real-Estate Development and Infrastructure Development in India. In the real estate space, we offer construction, property development and management and consultancy services. The focus is on large, mixed-use developments and the company's diverse portfolio includes residential, commercial, special economic zones (SEZs), IT Parks, hospitality, retail and entertainment. Our land reserves are spread across all major hubs of economic activity in the country. Our portfolio of infrastructure businesses includes general construction, design, manufacturing, erection and commissioning of transmission towers, mainly for the power sector; and development of industrial and logistic parks. Unitech has expertise in developing large-scale projects in the Residential, Commercial and Retail segments. Our residential development spans the entire value chain from top-of-the-line Luxury housing to the Affordable housing. Some of our Residential Projects are Nirvana Country I and II, Green Wood City, South City I and II, The World Spa in Gurgaon, Unitech Golf and Country Club, The Residences, Uniworld Gardens in Noida, Habitat, Horizon, Cascade etc in Greater Noida, South City in Lucknow and Aurangabad, Ananda, Aspen Greens etc in Chennai, Heritage Estate in Bangalore and Uniworld City in Kolkata to name a few.

Unitech was the first real estate developer to have been certified ISO 9001:2000 in North India. Unitech has been felicitated as an Indian Powerbrand 2013 for being one of the contributors towards creating India as a brand and as The Star Realty: Lord of the Land 2013 for being one of the iconic real estate companies. Unitech was bestowed with the Global CSR Excellence & Leadership Award for Corporate Social Responsibility at the World CSR Congress and Awards 2013. The Unitech brand is well recognized in India and was recognized as a Realty Mogul for being an admired brand in the real estate industry by Planman Media in 2012. Unitech has been chosen as a Power Brand 2010-2011 by the Indian Consumer under the Realty category. As per a survey by Business World, Unitech has been ranked 13th amongst the fastest growing companies in India (2010). Unitech was conferred with the title of "Superbrand" by Superbrand India in 2009. It is also a recipient of CW Architect and Builders Award, 2008 for being one of India's top 10 builders.

Project Launched

Unitech launches Unihomes Superb, Noida

Unitech has launched Unihomes Superb, Noida. Located near the FNG (Faridabad - Noida -Ghaziabad) expressway, Unihomes Superb enjoys excellent connectivity to Ghaziabad and Delhi through NH-24. Also, it is just a 15 minute drive from the commercial and retail developments of Sector-18 and a 10 minute drive from the offices of sector-62.

Unihomes Superb, each home designed to provide larger bedroom and superior ventilation for free flow of breeze and ample sunlight, is offering 2 & 3 bedroom apartments in sector-117, Noida.

The project is a part of 71 acres of secure gated township with upcoming shopping plaza, schools and medical facilities. The state-of-theart security system comprises of 24X7 CCTV surveillance at entry/exit points and intercom facility from home to security post. The project will have amenities like clubhouse, swimming pool, kid's pool, badminton court, gymnasium, etc.

Upcoming Launch - Ivy Terraces

Located in sector -70, Southern Peripheral Road, Gurgaon, Ivy Terraces offers luxury floor living thoughtfully integrated with functionality and vast open spaces, making it visually splendid and wholly inviting. Ivy Terraces is a part of Wildflower country, an integrated township with acres of tranquility wrapped in lush greens, surrounded by trees and loaded with everyday conveniences.

The project will offer infrastructure and sport amenities like nursery & primary school, nursing home(s) & clinic, shopping areas including daily needs store, Bank / ATM, provision for public transport areas such as taxi stand, Sewage treatment, Rain water harvesting, Solar energy for limited areas, Video door phone near the lift entrance, round the clock patrol by security personnel, Central Security Monitoring by trained personnel, CCTV surveillance at key points, themed garden/ Amphitheatre / Gazebo, Yoga garden, Jogging / Cycling track, Squash court, Open Lawn Tennis courts and Badminton courts. Some of the amenities being offered at the township like swimming pool, kid's splash pool, unisex gymnasium, multipurpose hall, party lawn with barbeque counter and outdoor music, pool side party area, indoor games room with Pool / Billiards table & Air Hockey, TV lounge and Table tennis.

Perspective view of Ivy Terraces

Recognitions & Milestones

Unitech received Food-A-Thon 2013 award by the India Food Banking Network

Unitech was acknowledged by the India Food Banking Network and presented a Food-A-Thon Award 2013. The award ceremony of '2013 Food-A-Thon' Campaign and the launch of 'Gurgaon FoodBank' was held on November 11, 2013 at Epicenter Auditorium, Gurgaon. The ceremony was presided over by Mr Sam Pitroda, Advisor to the Prime Minister.

Saankalp, our CSR Group, participates in various activities that create social, economic and environmental benefits for the communities and the Food-A-Thon is one such initiative that we are supporting.

India's biggest McDonald's opens at Unitech's Entertainment City in Noida

India's biggest McDonald's outlet has opened at Unitech's Entertainment City in Noida. The flagship outlet is spread over 8000 square feet across two floors. There is a seating capacity of 325 people with a dedicated Drive-Thru, Dessert Kiosk, etc. It is strategically located between the shopping mall, The Great India Place and the aamusement park, Worlds of Wonder.

Spread over 147 acre, Entertainment City, Noida is a combination of entertainment, retail and hospitality.

Unitech has already developed 1.3 million sq.ft mall in New Delhi, Noida and Gurgaon since 2006 with over 20 lakhs patrons a month in its 3 operational malls – Metro Walk in New Delhi, The Great India Place in Noida and Gurgaon Central. Unitech is also developing retail spaces in cities such as Kochi, Bhopal, Bhubneswar, Bangalore, Dehradun, Mohali, etc.

Artistic rendition of Unitech Global Gateway's night view*

Bhumi Pujan at Unitech Global Gateway, Gurgaon

Bhumi Pujan was organized at the commercial project site Unitech Global Gateway, Sector-26, Gurgaon on March 27, 2014 signifying the commencement of construction. Global Gateway, designed by internationally renowned Hong Kong based 10-Design, is strategically located on M.G. Road with easy accessibility to South Delhi, N.H 8 & Faridabad and quite adjacent to Guru Dronacharya Metro Station which will connect the entire NCR region to this complex. The project is conceptualized keeping requirements of Fortune 500 Companies in mind. Global Gateway, spread over 3.37 acres, is offering 2 Towers with G+7 floors along with world-class amenities like Cafes & Restaurants serving cuisines from world over, High – end retail shops & luxury brand showrooms, ATMs & Banks. There shall be special infrastructure designs for water efficient fixtures resulting in saving 30% of the total water consumption. Low VOC paints and coatings shall be used to reduce indoor air contaminants that are odorous and potentially irritating & harmful to the comfort and well-being of occupants. The double glazed energy efficient glass shall further ensure reduction of energy consumption without compromising the comfort level and providing the occupants with a connection between indoor spaces and outdoors through ample natural sunlight.

Unitech is credited with office space development of over 12 million sq.ft including commercial destinations like Global Business Park, Signature Towers, Unitech Business Park, IT parks such as Cyberpark, SEZs, Infospace, etc. in Gurgaon, Noida & Kolkata which today stand tall as landmarks.

Unitech World Spa amongst the Top 5 Best Homes in Gurgaon

– It is one of Unitech's prestigious residential projects

In a Survey conducted by Indian Market Research Bureau (IMRB) in association with Times of India titled "Clash of the Condominiums" as many as five of our projects (The World Spa, The Close North, Nirvana Country, Uniworld City and Heritage City) have been listed in the top-rungs on various parameters.

With an overall ranking of 907, The World Spa was rated the 3rd BEST HOME in Gurgaon. It scored very well on Facilities, Safety, Maintenance Charges, Government Camps, Festival Celebrations, Intention to Recommend, Power Back-up, etc.

The Close North was rated the 11th BEST HOME and Nirvana Country was rated as the 4th Most Preferred Housing Society. The World Spa and Uniworld City were also part of the Most Preferred List. The World Spa, The Close North and Heritage City were cited as societies most looked up to if others want a makeover. The condominiums were judged on parameters that included maintenance charges, RWA performance, power back-up, construction quality, satisfaction with maintenance, safety of children,

The World Spa, Gurgaon

satisfaction with facilities, frequency of government events organized within the complex, festival events, the quality of gymnasiums, swimming pools and common and play areas.

Blood Donation Camp at Signature Towers, Gurgaon

On the occasion of 'World Health Day', we organized a blood donation camp at Unitech Signature Towers, Gurgaon. The health day is celebrated on 7 April every year to mark the anniversary of the foundation of WHO in 1948. The camp saw a footfall of more than 90 people.

On this day people around the world are pledged to adopt a healthy lifestyle to prevent certain disease.

Unitech is actively contributing towards the social and economic development of the communities in which it operates. Initiating and executing activities in order to build a better way of live for the marginalized sections of the society

Unitech Karma Group Housing project in Gurgaon received IGBC Certified rating

Group Housing project, part of Unitech Karma Lakelands, has been awarded 'Pre-certified Green' and rated as 'IGBC Certified' under Indian Green Building Council (IGBC) Green Homes Category. The project is registered under the category of "Projects without Interior" & as a "Multi-Unit High Rise Residential Apartments". The project is equipped with sustainable measures for energy conservation and environmental protection. The Core & Shell designs of the project are in line with IGBC (Indian Green Building Council) LEED Green Homes rating system. Some of the sustainability concepts and techniques adopted in the project are energy efficient glass, water efficient fixtures, solar water heating facility, electricity saving lighting fixtures, efficient waste management, better indoor air quality with Toxic-free (Low VOC content) paints, etc.

Spread over 280 acres, Unitech Karma Lakelands, located right on the Delhi-Jaipur Expressway, is offering facilities like a signature golf course, a fully equipped modern club house, an art gallery, and a luxurious spa & boutique hotel.

Unitech High Rises

UGCC-Burgundy crosses the 100-meter mark!

Tower-1 of Burgundy at Unitech Golf and Country Club, Noida, has surpassed the 100 mt mark and on completion will be 43 floors high. Burgundy comprises of 6 towers each taller than the other with floor-levels ranging from 37 floors to 43 floors. The latest and most advanced construction techniques & sophisticated machinery like shuttering systems from PERI, Germany, and Liebherr's cranes are being used. BSS 46 Boom Pump from Putzmeister, Germany, is also a part of these amalgamations of techniques and machinery thereby ensuring speed of construction, accuracy of framework-alignment of frameworks in the structure, maximum safety & stability, etc. The first phase of UGCC, Amber, consists of 7 exquisitely designed towers which rise up to 30 levels high.

Unitech Golf and Country Club (UGCC), spread across 347 acres of prime land, is envisioned to be a Super Luxurious Golf Course Residential project. UGCC prides itself in having unison of some of the world's best architects and designers. The project offers a varied selection of upscale residential typologies overlooking a signature Golf Course designed by Phil Ryan of the Pacific Coast Design, Melbourne, Australia.

Touching the sky with 40 floor-level 'AIR' ~ Unitech's tallest residential project till date

"AIR", part of the Phase 3 development of Uniworld City, Kolkata has reached the milestone level of 40th floor and presently secured the status of the tallest residential building of Unitech, ever constructed. The project by its sheer height and elevation forms an iconic statement at Uniworld City, Kolkata. UGCC – Burgundy Noida. On completion, "AIR" will have an area of approximately 5,00,000 sq.ft. comprising of 136 high-end luxury apartments.

Uniworld City, Kolkata, a residential development sprawled over greens of New Town, Kolkata, spread on 100 acres, with 73 high-rise towers, complete with shopping and entertainment just a stride away.

Corporate Social Responsibility

Unitech partners with United Nations Environment Programme (UNEP) for Children's Event

Unitech joined hands with United Nations Environment Programme (UNEP) for a Children's event on March 5, 2014. The programme was organized to promote the habits of sustainable environment and generate awareness about conserving the planet earth through various innovative themes and messages. Around 150 children from less privileged backgrounds had participated and illustrated their understanding towards this year's theme 'Food Waste' through their art of painting. The kids are part of Guru Nanak Seva Samsthan, Gurgaon. The Samsthan is providing these children with free education and health care facilities.

The International Children's event, organized every year by UNEP, is for the children between the ages of 6 & 14 years. The first two prizes are US$ 2,000 and US$ 1,000 along with a UNEP - sponsored trip to a UNEP event with their chaperones.

Unitech's CSR Group, Saankalp, works with various organizations to further the social & economic development of the communities in which we live & work.

Medical & Eye Care Camp at Unitech Infospace, Sector-48, Gurgaon

For the construction workers, Unitech organized a Medical & Eye Care Camp at Unitech Infospace, Sector-48, Gurgaon in collaboration with the Service Wing of Sri Sathya Sai Organisation on March 2, 2014. Two General Physicians and one Eye Specialist were part of the medical camp. A well-equipped medical van was also a part of the camp.

230 patients were examined, 90 by the Eye Specialist and 140 by the General Physicians. Medicines and Spectacles were provided to the patients as per the need.

In association with local Hospitals and NGOs, specialized medical camps are organized on a regular basis at our construction sites for the welfare of the construction workers and their families.

Unitech Signature Towers II receives LEED Gold rating

The Indian Green Buildings Council (IGBC) accredited 'LEED Gold' rating to Unitech Signature Towers II, Gurgaon under LEED (Leadership in Energy and Environment Design) India Core & Shell system.

Unitech Signature Towers II is equipped with sustainable measures for energy conservation and environmental protection. Some of the sustainable measures incorporated are double glass fenestration, wall-insulation, roof-insulation, reuse of STP treated water for flushing and irrigation, use of low VOC paints & sealants, views provided to more than 90% of the regularly occupied spaces, etc. The infrastructure provisions incorporated in the core & shell construction are adequate for an office with normal working hours or for those with round the clock operation.

Unitech Verve, Greater Noida, welcomes its first family

With the first family moving into the project Verve; which was offered for possession earlier this year, all five Unitech projects at Greater Noida are set to become communities - setting a benchmark of living experience in the area. Located in Sector-Pi-2, Greater Noida Unitech Verve is in close vicinity to the Central business hub of Greater Noida and minutes away from Pari Chowk & Noida Express Highway. The project, spread over 8.13 acres with almost 80% open space and landscape green, offers 2 & 3 bedroom apartments. The project has 6 towers with 363 units and has facilities like Swimming Pool, Amphitheater, Tennis Court, Gymnasium, Clubhouse, T.V Lounge, Children's Play Area, 24X7 security, etc.

Successful ISO 9001:2008 External Re-certification Audit at Unitech

The External Recertification Audit ISO 9001:2008 was successfully conducted on Quality Assurance Systems being practiced in Unitech Limited. As a part of ISO's certification process, the External Rectification Audit is conducted every 3rd year, followed by External Surveillance Audit every year to validate this Certification.

The External Recertification Audit was carried out by the Auditors from M/s TUV SUD South Asia Pvt. Ltd. at Unitech from April 28, 2014 to April 30, 2014 covering all departments and one construction site. Unitech was recommended for re-certification complying with the requirements of ISO 9001:2008 by M/s TUV.

Subsequently, the Certification Body of TUV SUD Management Service Gmbh Trading as TUV SUD South Asia Private Limited has certified Unitech Limited to establish & apply Quality Management Systems for their NCR projects.

The Outdoor Branding activities listed herein were carried out to fulfill the following purposes:

1. **Establish and enhance corporate brand identity and brand recall value**
2. **To create awareness of Unitech's on-going and new project launches amongst the prospective customers**
3. **To bring into limelight a legacy of numerous landmark establishments originally developed by Unitech thereby strengthening its image as an experienced, reliable and established developer**
4. **Use economical branding formats for corporate branding within Unitech buildings' external premises e.g. box pole signboards**
5. **Reinforce Unitech's image as an environment friendly organisation**
6. **To help prospective and existing customers to conveniently reach the under-construction project sites and subtly achieve brand visibility simultaneously**

The impact of the Outdoor Branding activities was:

1. **Improved Brand visibility**
2. **Increased customer visits**
3. **Indomitable presence amongst the competition**
4. **High credibility in the market**
5. **Improvement in sales figures**
